

Temm & Associates, Inc. Awarded UAB Excellence in Business Top 25 - 2017

The University of Alabama at Birmingham National Alumni Society has announced the 2017 class of the [UAB Excellence in Business Top 25](#). The Top 25 award program is designed to identify, recognize, and celebrate the success of the top 25 UAB alumni-owned or UAB alumni-operated businesses.

“We are once again pleased to honor UAB graduates who are among the most successful business leaders,” said Jennifer Breland, executive director of the UAB National Alumni Society. “This is a special opportunity to bring well-deserved recognition to our UAB graduates that are succeeding in so many different industries. Their success stories are an inspiration to others at UAB and in the community.”

On Friday, June 23, 2017, the NAS recognized its 5th class during a special ceremony at the UAB National Alumni Society House. Twenty-five businesses and 34 alumni were honored during the luncheon. Included among the 2017 honorees was **Mary F. Temm DSc, President of Temm & Associates, Inc.**, a national health care consulting firm headquartered in Phoenix, Arizona. Dr. Temm earned her Doctor of Science in Administration-Health Services from the UAB School of Health Professions in 2013.

The National Alumni Society also awarded the top 3 fastest growing companies among those being honored in two categories, revenue under \$10 million and revenue over \$10 million. The National Alumni Society partnered with Warren Averett to rank and verify the nominated companies based on the annual growth rate for 2014, 2015 and 2016. [Temm & Associates, Inc.](#) was recognized as the **3rd Fastest Growing Company Under \$10 Million** with a 60% growth rate.
